

# Walking Tree Travel

## THE ORGANIZATION

Walking Tree Travel is an international student travel company. Founded in 2005 by three childhood friends from Denver, we have over 3300 alumni from 45 states and offer unique programs to 28 countries around the world.

Our mission is to inspire students to become global citizens by taking an active interest in the world around them. We achieve this by providing international travel programs in the areas of cultural immersion, wildlife conservation, and leadership development.

Walking Tree offers a curious and compassionate approach to travel. Unlike a typical tour, our programs are designed for a select group of travelers who seek an authentic international experience that offers the opportunity to affect positive change at home and abroad.

Check us out online at <http://www.walkingtree.org> for more details.
