POSNER CENTER INNOVATORS DINNER

An evening with MIT D-Lab Founder, Amy Smith

Visit the Posner Center for dinner and drinks with Amy Smith, Founder of **MIT D-Lab**, a university-based program that connects simple design curriculum to international development field work. A 2004 MacArthur Fellow, Amy was named one of Time Magazine's 100 most influential people for her work promoting local innovation and technology creation in communities around the world. Proceeds from the evening will support Posner Center's capacity-building programs that promote learning and innovation within our own international development network.
