Who we are: [Space for Humanity](#) (S4H) was founded to create a globally-minded world. S4H is the first non-profit gateway to space, a philanthropic organization directly enabled by space technology. Our mission is to democratize access to space by providing all expenses paid trips - where anyone, from any walk of life, can apply for an opportunity to experience the [Overview Effect](#): the cognitive shift in awareness that occurs when a human being looks down on the Earth from space. Upon their return, each citizen astronaut will share that experience through a social impact ambassadorship with their communities and beyond. Through this unique program, we believe that we can generate creative solutions to some of the world's most intractable problems.

Position Description: The Business Development Intern will work directly with the Executive Director creating a strategic fundraising plan, reaching out to prospective sponsors. Room for growth and flexibility in role. This is a volunteer position.

Your Mission

- Work directly with the Executive Director to create and carry out a strategic fundraising plan
- Maintain online and written communication with prospective sponsors, individuals, and network
- Assist in the implementation/communication of ongoing fundraising efforts and community events
- Generate creative ideas and solutions to challenges faced by a global non-profit

What you bring

Ideal candidate is passionate about S4H's mission, curious and open to learning. Ready to take on dynamic work, respectful, and works well in a team environment. Excellent verbal and written communication. Candidate is a self starter + creative. Ideal candidates will be currently enrolled in, or will have completed, a bachelor's or graduate degree program with a preferred background or interest in nonprofit management, business, development, marketing or other related field.
