

**Position: Marketing**

**Date of Posting:** March 2019

**Location:** Posner Center for International Development at 1031 33rd Street, Denver CO, 80205

**Hours Per Week:** 20 hours/week with flexible scheduling

**Start Date:** 3-6 month position starting immediately

**Who we are:** [Space for Humanity](#) (S4H) was founded to create a globally-minded world. S4H is the first non-profit gateway to space, a philanthropic organization directly enabled by space technology. Our mission is to democratize access to space by providing all expenses paid trips - where anyone, from any walk of life, can apply for an opportunity to experience the [Overview Effect](#): the cognitive shift in awareness that occurs when a human being looks down on the Earth from space. Upon their return, each citizen astronaut will share that experience through a social impact ambassadorship with their communities and beyond. Through this unique program, we believe that we can generate creative solutions to some of the world's most intractable problems.

**Position Description:** The Marketing and Outreach Intern will work directly with the Executive Director creating strategic partnerships, planning events, and researching potential engagements, and creating and implementing a marketing plan.

**Your Mission**

- Work directly with the Executive Director to create and carry out a marketing and outreach plan with goal of maximum impact across multiple industries
- Maintain online and written communication with prospective partners, individuals, network, and events
- Assist in the implementation/planning of ongoing collaborations and community events
- Generate creative ideas and solutions to challenges faced by a global non-profit

**What you bring**

Ideal candidate is passionate about S4H's mission, curious and open to learning. Has experience building online networks. Ready to take on dynamic work, respectful, and works well in a team environment. Excellent verbal and written communication is essential. Candidate is a self starter + creative. Ideal candidates will be currently enrolled in, or will have completed, a bachelor's or graduate degree program with a preferred background or interest in marketing, communications or other related field.
